### 募集要項

Our client is a leading automotive parts manufacturer with a global presence. As part of their expansion, they are looking for an experienced General Manager / Deputy GM for their Manufacturing division. This role will be based at Bukit Beruntung, Selangor.

#### Key Responsibilities:

- Ensuring the implementation of authorised quality procedures in the Manufacturing division.
- Ensuring the achievement of production schedules at acceptable quality and cost.
- Ensuring all production resources are efficiently and effectively utilised and maintained.
- Ensuring all products fully comply with all quality requirements and conform to customer specifications.
- Planning plant expansion, capacity increase and staff recruitment in accordance with sales projections.

- Ensuring the smooth and timely introduction of new products including design and development work, tooling and jigs/fixtures fabrication and parts localisation.
- Ensuring the workplace is kept clean and orderly to promote safe working environment to enhance employee morale.
- Liaising with other departments within the company and Worker's Consultative Council to ensure the smooth and efficient running of the company.
- Holding management meeting at regular intervals to continually review and improve the plant operations.
- Perform any other duties and responsibilities as and when assigned by superior.

**Job Requirements:**

- At least 10 years' experience or more in manufacturing, preferably for the automotive industry.
- Proven experience in leading manufacturing plant operation and production matters
- Willing to work at and be based at Bukit Beruntung, Selangor.
- Ability to speak/write Mandarin is an added advantage.
- Strong communication skills and ability to manage different stakeholders.
