募集要項

POSITION: QUALITY SUPERVISOR

BUSINESS: ELECTRONICS / WIRE HARNESS MANUFACTURING

LOCATION: AYUTHAYA

SALARY: 40,000 – 60,000 THB

Job Summary:

Job Summary:

We are seeking a dedicated Quality Supervisor with expertise in wire harness products for electronic applications. The ideal candidate will have a minimum of 5 years of experience in quality assurance within the electronics manufacturing industry. This role involves overseeing the quality control processes, ensuring compliance with industry standards, and leading a team to maintain high-quality production.

Key Responsibilities:

- Supervise and manage quality control activities for wire harness products used in electronic applications, ensuring adherence to industry standards and company specifications.
- Conduct regular inspections and audits of wire harness products to identify defects and implement corrective actions.
- Maintain detailed records of quality control processes, inspections, and audits.
- Lead and mentor a team of quality control technicians, providing training and guidance to ensure high performance.
- Address and resolve quality-related issues, collaborating with other departments to implement solutions.
- Develop and implement continuous improvement initiatives to enhance product quality and operational efficiency.
- Ensure compliance with all relevant regulations and standards, including ISO and industry-specific requirements.
- Generate and present regular reports on quality metrics and improvement activities.

Qualifications:

- Minimum of 5 years of experience in quality assurance, preferably in wire harness products for electronic applications.
- Bachelor's degree in Engineering, Quality Management, or a related field.
- Strong understanding of quality control principles, industry standards, and regulatory requirements.
- Excellent analytical, organizational, and communication skills.
- High level of accuracy and attention to detail in quality control processes.
- Proven ability to lead and motivate a team.
- Excellent communication skills in English, both written and verbal.
