募集要項

This role is for Finance and Planning Analysis (FP&A) for Europe and Americas at a food company. The successful candidate will lead financial planning and analysis activities, and guide financial decisions by establishing, monitoring, and enforcing policies and procedures.

Client Details

The employer is a large organization operating in the food industry. With a global presence and a strong foothold in the European and American markets, the company is known for its exceptional products and outstanding commitment to quality.

Description

- Coordinate, analyze and report the financial performance to Management and Board of Directors (financial performance, projections and other special projects as required).
- Prepare short and long-term financial forecasts of financial performance for use with internal management and external parties.
- Develop, implement and maintain accounting and administrative policies and procedures for a wide-ranging set of activities including financial accounting and reporting, employee relations and other corporate policies.
- Responsible for all corporate and human resource activities including employee benefits, retirement plans, corporate

insurance and related activities.

Job Offer

- A comprehensive benefits package.
- Opportunity to work in a vibrant and dynamic work environment.
- Opportunities for professional growth and advancement within the company.

This is a wonderful opportunity for a finance professional looking to take the next step in their career. If you possess the required skills and experience, we encourage you to apply today.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Hai Le at +81 3 6832 8623.

スキル・資格

- High proficient in Japanese and business English
- Experience in financial planning and analysis.
- Proficiency in rules and regulations.
