募集要項

An exciting opportunity has become available for a Finance Manager at a reputable Fashion retail company in Tokyo. The successful candidate will have extensive knowledge and experience in financial management, general accounting, budget planning, and cash management.

Client Details

This is a large Fashion retail company with a strong presence in the market. They are known for their high-quality products and their commitment to innovation and excellence. Their team is diverse, professional, and dedicated to their work, making the workplace a dynamic environment where great ideas thrive.

Description

- Oversee and manage all aspects of financial management, including general accounting, budget planning, and cash management.
- Support tax preparation and ensure compliance with all relevant laws and regulations.

- Manage monthly and annual financial reporting and communicate with internal and external auditors.
- Implement and maintain internal control procedures to safeguard company assets.
- Effectively manage and coordinate people within the department.
- Work with SAP software to streamline financial processes.
- Communicate effectively in both Japanese and English.

Job Offer

- An attractive salary package
- Additional benefits including a bonus, insurance, pension, and discounts on company products.
- A chance to work in a dynamic environment in the Retail industry in Tokyo.
- Opportunity to grow and develop your career with a reputable well known company.

Interested in this exciting opportunity? Don't hesitate and apply now to become the next Finance Manager for this global player!

Page Group Japan is acting as an Employment Agency in relation to this vacancy.

スキル・資格

A successful Finance Manager should have:

- A degree in Finance, Accounting, or a related field.
- Proficiency in both Japanese and English.
- Experience with SAP software.
- An understanding of general accounting principles.
- Experience in financial reporting, budget planning, and cash management.
- Strong communication skills and the ability to work with internal and external auditors.
- A strong sense of integrity and the ability to maintain internal control procedures.
