募集要項

Job Description:

- Funding Strategies: Managing funding activities, including securing financing from banks, investors, or other external sources to support leasing operations.
- Ensuring optimal allocation and utilization of funds to maximize returns and minimize financial risks.
- Monitoring cash flow and liquidity to ensure the company can meet its financial obligations and funding requirements.
- Supervising the preparation and accuracy of financial statements, including income statements, balance sheets, and cash flow statements.
- Ensuring compliance with accounting standards and regulatory requirements specific to leasing and multifinance operations.
- Conducting periodic reconciliations of accounts to identify and correct discrepancies.

- Managing asset accounting for leased items, including depreciation and residual value calculations.
- Overseeing the accurate and timely filing of all tax returns, such as VAT, corporate income tax, and other taxes relevant to leasing activities.
- Ensuring compliance with tax laws and regulations, particularly those impacting leasing companies.
- Identifying tax-saving opportunities and implementing strategies to optimize tax liabilities.
- Managing audits and liaising with tax authorities to resolve any issues or inquiries.
- Working on other task possibly related to funding or asset management

Requirements:

- Bachelor's degree in accounting, finance and related field
- +3 years experience in finance, accounting & tax
- Have experience in handling funding or asset management will be preferable
- Possesses Brevet A & B certificate or other supporting certificates & courses
- Advanced in English is mandatory
- Experienced working in a Japanese company will be a plus point
- Extensive skills in Microsoft office and accounting system
