募集要項

An international semiconductor company is looking for a Finance Manager. The selected candidate will manage financial matters, lead improvement projects, and provide business insights to drive operational profitability.

A global leader in the semiconductor industry, specialising in the development of optical and extreme ultraviolet (EUV) photomask blanks used in chip manufacturing for cutting-edge applications. The company is committed to innovation, environmental protection, safety, and employee well-being, fostering a diverse and inclusive workplace.

Keywords:

会計, リーダーシップ, 継続的改善, マネジメント会計, 求人, 外資系

Job Ref: 8RRLAG

Responsibilities:

- Manage a team of 6 members and supervise financial matters, including income statements, FP&A, accounting, and tax
- Lead and manage continuous improvement projects in financial accounting and the finance department
- Plan and operate management accounting processes
- Provide business insights through data and analysis to influence decision-making and increase factory operating profit
- Prepare quarterly budgets and handle process-related tasks such as consolidating and reporting figures (sales, capital investment, profit and loss)
- Manage financial operations, including procurement, line operations, sales contracts and credit analysis, asset management, inventory management, and transfer pricing
- Business trips to both domestic and overseas locations may be required

Requirements:

- Bachelor's degree or above in accounting/finance
- More than 5 years of experience in accounting and finance
- Practical experience in management accounting
- Prior leadership experience
- Management experience preferred
- Proficient in accounting systems (SAP or MS Dynamics 365 preferred)
- Ability and willingness to travel
- Possess a valid MBA, CPA, or CFA qualification preferred
- Professional level Japanese and English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
