- Prepare next fiscal year's budget by mid-September
- Analyse budget vs actual results and trends
- Conduct ad hoc strategic analysis
- Collaborate to optimize cash flow and management
- Oversee finance functions and compliance
- Review costs for efficiencies and process improvements

Requirements:

- Bachelor's degree or above in accounting and finance
- 5-10 years of experience in financial accounting, planning analysis, management control, business planning, cash flow, etc.
- Knowledge of accounting and finance
- Understanding of FP&A, treasury, and cash reforecasting
- Proficient in MS Office Suite
- Possess valid accounting or finance-related certification is ideal
- Fluent level Japanese; business level English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
