募集要項

As the Accounting Lead, you will oversee all core accounting functions, ensuring accurate operations, timely closings, and compliance with global standards. You'll lead and develop a dedicated team while driving process improvements to enhance efficiency and support business growth-making a meaningful impact from day one.

Client Details

This well-established global manufacturer is a recognized leader in motion and control technologies, supporting innovation across a wide spectrum of industries including industrial, aerospace, and life sciences. With a strong reputation for engineering excellence and operational stability, the company is driven by a long-term vision, a strong values-based culture, and a commitment to sustainability. Employees enjoy a collaborative and international environment where continuous improvement, career development, and technical expertise are actively encouraged. It's an ideal setting for professionals who want to make a tangible impact in a globally respected organization.

Description

- Direct and oversee all aspects of the Accounting functions of the organization.
- Provide leadership in the development of continuous evaluation of short and long-term strategic financial objectives.
- Ensure credibility of the finance group by providing timely and accurate analysis of budgets, financial trends, and

forecasts.

- Work with senior teams to grow the business, formulating strategies and plans.
- Manage and comply with local, state, and federal government reporting requirements and tax filings.

Job Offer

- A competitive salary range in the market
- A bonus of up to 12.5% based on performance.
- A dynamic and inclusive work culture that values its employees.
- Opportunities for professional development and career advancement.
- 1 Day working from home
- Career opportunities and chances to be involved in top management.

We encourage all qualified candidates to apply for this exciting opportunity!

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Yaya Vichitranon at +81 3 6832 8668.

スキル・資格

A successful Accounting Manager should have:

- Proven experience in accounting and finance.
- Strong leadership skills with an ability to motivate direct reports.
- Good communication skills.
- Business English and Japanese required.
- Strong problem-solving skills and the ability to think strategically.
- Knowledge of all aspects of generally accepted accounting principles (GAAP).
