募集要項

A global logistics company is seeking a Finance Manager. The selected candidate will oversee financial operations, compliance, reporting, and internal controls to ensure business integrity and efficiency.

A global logistics, manufacturing, and consultancy company known for delivering lean supply chain solutions across various industries. The company combines deep industry expertise with innovative technologies to optimise operations, enhance efficiency, and drive sustainable growth for its clients in Japan.

Keywords:

Job Ref: PLSOYL

Responsibilities:

- Develop and manage corporate plans, budgets, and variance analysis with management and UK finance teams
- Generate financial statements and monthly reports for local and UK management
- Oversee financial records, fiscal controls, journal entries, and reconciliations
- Manage daily cash flow, forecast requirements, and oversee bank account administration
- Supervise and develop an assistant responsible for financial administration
- Manage payroll operations with third-party providers, ensuring accurate data and compliance

Requirements:

- Bachelor's degree or equivalent in accounting and finance is ideal
- 5-7 years of professional experience
- Experience in accounting
- Prior experience in SAP is a plus
- Understanding of finance and accounting
- Knowledge of Japan GAAP, statutory reporting and internal control assessments
- Familiarity in Japan tax and other relevant commercial laws
- Proficient in MS Excel
- Fluent level English and Japanese

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
