募集要項

Seeking a dedicated Project Manager to join our FMCG department in Tokyo. The ideal candidate should possess a strong technical background, organizational skills, and a passion for technology.

Client Details

Our client is a well-known large organization in the FMCG industry. With a strong presence in Tokyo, this company prides itself on innovation and their technology-first approach to business.

Description

- Lead and manage technology projects within the FMCG industry.
- Coordinate cross-functional teams to ensure project success.
- Develop detailed project plans and monitor progress.
- Ensure that all projects are delivered on time, within scope, and within budget.
- Identify potential risks and devise contingency plans.

- Foster a positive and productive team environment.
- Maintain comprehensive project documentation.
- Continually update job knowledge by participating in educational opportunities.

Job Offer

- A positive and innovative company culture.
- The opportunity to work in the bustling city of Tokyo.
- A chance to be a part of a large organization in the FMCG industry.

We encourage all qualified candidates to apply and become a part of our innovative team in Tokyo.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Numan Azami on +813 6832 8952.

スキル・資格

A successful Project Manager should have:

- A strong technical background.
- Experience in project management within the FMCG industry.
- Excellent communication skills.
- The ability to coordinate cross-functional teams.
- Strong problem-solving abilities.
- Excellent organizational skills.
- Attention to detail and multitasking skills.
