募集要項

A global energy company is looking for a Legal Manager. The selected candidate will provide legal support, assess regulatory risks, and manage contracts related to power trading.

This new and exciting company is involved in supply chain operations of energy resources as well as power plant maintenance and construction. Every day, they continue to move forward with their mission to bring energy solutions to the entire world.

Keywords:

Job Ref: SBGM43

Responsibilities:

- Identify strategic legal risks in power trading and develop mitigation measures
- Prepare, review, and negotiate ISDA master contracts and electricity supply agreements
- Ensure compliance with regulatory requirements and assess legal risks
- Obtain and analyse legal opinions from external counsel
- Advise senior management and various departments on legal matters and internal regulations
- Improve and document internal legal procedures

Requirements:

- Bachelor's degree or above in law or similar domain
- More than 5 years of experience in drafting, negotiating, and advising on English and Japanese sales or purchase agreements, ISDA master agreement in the legal department
- Understanding of general trading business and operational practices (electricity and energy (fuel) markets (futures and options trading)
- Possess valid Japanese law, US state law, and English law qualification
- Proficient in English (TOEIC 860+)

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
