募集要項

Job Description

As part of our localization team, you'll play a key role in helping our games reach fans worldwide. This role goes beyond translation—you'll also support various aspects of the game development process.

Key Responsibilities:

- ・ Translate and proofread game text from English to French
- ・ Perform in-game checks of French text
- ・ Create and translate project documentation
- ・ Communicate and coordinate with internal departments and external vendors

- Help define the localization direction and strategy for new projects

Why This Role is Special

Game narratives and text have a direct impact on the player's experience. At Colorful Palette, we value creative adaptation that stays faithful to the original text while making it resonate with global audiences.
