## 募集要項

This position serves as a strategic link between one of the business division of our client and their marketing function. The role involves leading a broad variety of marketing initiatives-including newsletters, client events, and brand campaigns-while maintaining close alignment with business leadership and overseeing coordination with specialist teams.

## Client Details

Our client is a global professional services firm offering a broad range of services designed to support sustainable growth and long-term value creation for clients. Its Japan operations deliver high-quality services both domestically and internationally through the collaboration of experts across various specialized entities. The firm is also committed to corporate social responsibility and sustainability.

## Description

- Bridge the gap between a dynamic consulting team and marketing experts to drive impactful initiatives.
- Lead diverse projects-from client events to brand campaigns-while shaping the marketing strategy.
- Thrive in a collaborative, fast-paced environment with regular in-office teamwork and global communication.

#### Job Offer

- Flexible working hours with almost full remote system (up to 4 remote days per week).
- Competitive compensation package.
- Work for a company that prioritizes sustainability and environmental responsibility.
- Work at a global scale with teammates around the world.
