募集要項

Position : Senior ESG Officer

Responsibilities:

ESG Strategy Support:

- Assist in the development and execution of comprehensive ESG strategies aligned with the company's goals and values.
- Contribute to the identification and assessment of ESG risks and opportunities.

Implementation and Coordination:

- Support the implementation of ESG initiatives across the organization.
- Coordinate with cross-functional teams to integrate ESG considerations into business processes and decision-making.

- Track and report on the progress of ESG initiatives and their impact.

Reporting and Documentation:

- Ensure compliance with relevant ESG regulations and standards.
- Assist in preparing ESG reports, disclosures, and communications for stakeholders, including investors, regulators, and customers.
- Keep abreast of industry trends, best practices, and regulatory changes related to ESG.

Stakeholder Engagement:

- Engage with internal and external stakeholders to promote ESG awareness and education.
- Support the building and maintenance of relationships with industry groups, non-governmental organizations, and other relevant stakeholders.

Performance Tracking:

- Help develop and track key performance indicators (KPIs) to measure the effectiveness of ESG initiatives.
- Analyze data and generate insights to drive continuous improvement in ESG performance.

Qualifications:

- Bachelor's degree in Environmental Science, Sustainability, Business Administration, or a related field.
- Minimum of 3 years of experience in ESG, sustainability, corporate responsibility, or a related area.
- Basic knowledge of ESG frameworks, standards, and reporting requirements (e.g., GRI, SASB, TCFD, UN SDGs).
- Strong organizational and project management skills.
- Analytical and problem-solving abilities.
- Ability to work collaboratively across departments and with diverse stakeholders.
