募集要項

Position: Production Manager

Salary: 40,000 – 70,000 THB/Month

Location: Hi Tech Industrial, Ayutthaya

Responsibilities:

- Plan and Control Production: Define production targets, create work schedules, and allocate resources (personnel, machinery, raw materials) efficiently.
- Manage Production Processes: Ensure production adheres to standards, troubleshoot issues arising in the production line, and improve production processes.
- Control Quality: Supervise the quality inspection of raw materials and finished products to meet specifications.

- Manage Teams: Delegate tasks, provide training, evaluate performance, and motivate team members.
- Ensure Safety: Inspect and maintain a safe working environment.
- Coordinate: Communicate with relevant departments such as Purchasing, Sales, and Engineering.
- Report Production Results: Collect and analyze production data to report to management.
- Control Costs: Manage production costs effectively.

Qualifications:

- Bachelor's degree in Engineering
- Strong knowledge in steel industry or machinery manufacturing.
- Experience in Automotive or any related industrials
