募集要項

OVERVIEW

A leading global manufacturer in the interconnect industry

Location: The North of Vietnam

Industry: Electronics / Manufacturing

Reports to: Global Controller

Responsibilities

- Lead annual budgeting and long-range financial planning for Vietnam sites
- Manage forecasting and monthly operational financial reviews
- Oversee monthly close, financial reporting, and variance analysis

- Ensure compliance with SOX, lease accounting, and internal audit standards
- Support cross-functional initiatives in sustainability, tax, and cost optimization
- Partner with HR on incentive planning and financial alignment
- Build and lead a high-performing local finance team

Requirements

- Bachelor's degree in Accounting; CPA or similar qualification preferred
- 10–12 years of financial management experience, including in manufacturing
- Strong knowledge of cost accounting
- Familiarity with ERP systems
- Excellent communication and leadership skills
- Proficient in both English and Vietnamese
- Willing to travel occasionally
