募集要項

Job Title: Sales & Marketing Executive

Location: Singapore

About Us:

The client is seeking a dynamic and driven Sales & Marketing Executive to join their team. You will be responsible for achieving and exceeding sales targets, building market share, and supporting marketing initiatives within a defined territory.

Key Responsibilities:

- Achieve and exceed sales targets in the allocated territory.
- Build product market share through new business development.

- Support product launches and marketing activities (online and offline).
- Perform market analysis and provide feedback to management.
- Execute marketing activities within the assigned territory.

Requirements:

- Excellent interpersonal, selling, and communication skills.
- Understanding of the Rare Disease/Specialty Care patient experience.
- Ability to work cross-functionally and independently.
- Broad understanding of the pharmaceutical business.

Essential for the Role:

- Tertiary education (Science/Medicine/Business preferred).
- 3-5 years of pharmaceutical sales/marketing experience.
- Valid Class 3/3A driving license with own transport.
