## 募集要項

Join a key governance role with high visibility and impact, ensuring operational excellence and regulatory alignment. Be the trusted advisor bridging business and risk teams in a dynamic financial landscape.

## Client Details

A globally integrated financial institution offering comprehensive banking services across markets. Operates with a strong risk governance framework and commitment to operational excellence.

## Description

- Lead implementation and continuous improvement of non-financial risk frameworks.
- Perform control testing, KRI monitoring, and risk profiling under governance mandates.
- Advise senior stakeholders and country leaders on strategic risk and control issues.
- Manage risk event, treatment, audit remediation, and policy deviation processes.
- Drive risk education, culture, and capability uplift across the business.
- Partner with overseas branches to support governance, controls, and strategic projects.
- Prepare Risk Committee materials and deliver regulatory risk attestations

**Job Offer**

- Senior exposure and influence in risk and governance.
- Opportunity to lead critical risk initiatives and cultural transformation.
- Collaborative international environment with career development pathways.
