## 募集要項

A global tech leader in audio, visual, and communications seeks a qualified lawyer to join its compact legal team as Legal Manager, handling international contracts and cross-border litigation in a hybrid, work-life balanced setting.

- Review and analyze contracts in both Japanese and English to ensure legal accuracy and alignment with company policies
- Provide legal advice and consultation to internal departments on a wide range of business matters
- Support contract negotiations by identifying legal risks and proposing solutions

• Draft and revise standard contract templates to reflect current legal and business requirements

# スキル・資格

- · Legal experience in a manufacturing environment, with hands-on involvement in international trade contracts
- Qualified as a foreign lawyer or Japanese bengoshi
- English proficiency with TOEIC score of 600 or above
- Experience in managing overseas litigation preferred
- Experience in advising on English contract drafting preferred
