■Overview

We are seeking a highly motivated FP A Manager to take ownership of SG A cost management for our staffing services business. This role will serve as a strategic business partner engaging with business leaders and APAC regional finance teams. The successful candidate will support investment decisions lead process improvements and communicate financial insights in a clear and effective manner.

■Key Responsibilities

- Budgeting forecasting variance analysis and monthly reporting of SG A costs
 - Financial support and evaluation for investment projects and business initiatives
 - Act as a liaison with business leaders and cross functional departments
 - Communicate and report effectively with APAC finance teams in English
 - Manage and mentor one direct report (goal setting performance review daily support)
 - Present complex financial information in a simple and insightful way
 - Identify and streamline inefficient or overly complex financial processes
 - Drive implementation of new analysis tools and KPIs as necessary
-

スキル・資格**■Required**

- 5+ years of experience in FP A or finance roles (SG A experience preferred)
- Business level English (comfortable in meetings reporting and email with APAC)
- Strong logical thinking interpersonal and cross functional communication skills
- Proactive self starter with a strong sense of ownership and improvement mindset
- Advanced Excel and PowerPoint skills with financial modeling experience

■Preferred

- Experience in the staffing or service related industry
- Familiarity with BI tools such as Power BI or Tableau
- Experience with ERP systems (e.g. SAP Oracle)

★Ideal Candidate Profile

- Ability to derive and articulate insights behind the numbers
 - Strong relationship builder who can collaborate across departments
 - Comfortable working in ambiguity and proposing new approaches
-
