募集要項

As a Senior Finance & Accounting Manager, you will lead key financial operations, ensuring accuracy in reporting and compliance in Tokyo. This is an excellent opportunity to utilize your leadership and accounting expertise within the retail industry.

Client Details

This company is a well-established, large organization within the retail sector, known for its commitment to quality and innovation. It provides a structured yet progressive environment where employees can grow professionally.

Description

- Oversee general accounting activities, including month-end and year-end closings.
- Prepare and analyze accurate financial reports to support decision-making.
- Ensure compliance with internal controls and regulatory requirements.
- Identify and implement process optimization initiatives for efficiency improvements.
- Manage and mentor the whole department, fostering a collaborative and results-driven culture.
- Collaborate with internal and external stakeholders to address financial queries and requirements.
- Directly report to the COO, being involved in the strategic direction of the company.
- Provide strategic insights and recommendations to enhance financial performance.
- Act as a key liaison for audits and other financial assessments.

Job Offer

- Competitive salary ranging from JPY 10,000,000 to JPY 15,000,000 annually.
- Performance-based bonus to reward your contributions.
- Comprehensive benefits, including insurance, retirement package, and discounts on luxury products.
- 2-3 days WFH and flexible working hours.
- Opportunities to work in a thriving environment within the retail industry.
- Be part of a supportive team culture in Tokyo.

Take the next step in your career by applying for this Senior Finance & Accounting Manager role today!

Page Group Japan is acting as an Employment Agency in relation to this vacancy.

スキル・資格

A successful Senior Finance & Accounting Manager should have:

- Proficiency in both Japanese and English on a business level for effective communication.
- Demonstrated leadership experience with a strong background in team management.
- Solid expertise in general accounting practices, including financial reporting.
- Hands-on experience with month-end and year-end closings.
- A proactive approach to process optimization and problem-solving.
- Strong knowledge of internal controls and regulatory compliance.
