募集要項

As an AR Accounting Manager in the fashion industry, you will oversee accounts receivable processes, ensuring compliance with reporting, reconciliation, and closing tasks. Based in Tokyo, this role requires fluency in Japanese, business-level English, and expertise in AR accounting and related functions.

Client Details

This is an opportunity to join a large organization within the retail industry that is renowned for its commitment to excellence. With a strong presence in Tokyo, the company offers a comprehensive range of accounting and finance roles, ensuring a professional and structured work environment.

Description

- Manage accounts receivable operations, ensuring accuracy and compliance with company policies.
- Perform monthly reconciliations and reporting for AR accounts.
- Oversee closing tasks, ensuring timely and accurate completion of processes.

- Support audit and tax requirements by preparing necessary documentation.
- Develop and maintain cash forecasts for effective financial planning.
- Collaborate with internal departments to resolve discrepancies and improve processes.
- Ensure compliance with local regulations and internal standards.
- Provide guidance and mentorship to junior team members as needed.

Job Offer

- A competitive salary package ranging from JPY 7,500,000 to JPY 13,200,000 JPY.
- Additional benefits, including a bonus, retirement package, and comprehensive insurance coverage.
- Employee discounts on luxury products within the retail industry.
- A permanent role within a structured and professional work environment in Tokyo.

This is an excellent opportunity for a driven AR Accounting Manager to take the next step in their career. If you meet the requirements, we encourage you to apply today!

Page Group Japan is acting as an Employment Agency in relation to this vacancy.

スキル・資格

A successful AR Accounting Manager should have:

- Fluency in Japanese and business-level proficiency in English.
- Strong expertise in AR accounting, reconciliations, and monthly reporting.
- Experience with closing tasks and supporting audit and tax requirements.
- Knowledge of cash forecasting and financial planning principles.
- Attention to detail and the ability to work within tight deadlines.
- Proficiency in accounting systems and relevant tools.
