募集要項

Manufacturer and distributor of chocolate and cocoa products

Location : WHA Chonburi 1 Industrial Estate Bo Win Subdistrict, Si Racha District, Chonburi Province 20110

Key Responsibilities:

- Collaborate with the Plant Manager and other departments to establish the Quality Assurance processes during the plant set-up phase.
- Develop and implement quality control protocols and standard operating procedures (SOPs) tailored to the new facility.

- Ensure all quality equipment and tools are calibrated and in place before production starts.
- Supervise and manage the day-to-day operations of the quality control team.
- Monitor production processes to ensure compliance with food safety regulations and company standards.
- Conduct regular audits of production processes, product specifications, and quality systems.

Qualifications:

- Bachelor's degree in food science, Microbiology, Engineering, or a related field.
- Minimum of 3 years of experience in a quality assurance role within the food manufacturing industry.
- Experience with plant start-up is highly desirable.
- In-depth knowledge of HACCP, GMP, ISO standards, and food safety regulations.
- Proficient in using quality management software and tools.
- Strong English communication skills, both written and verbal.
