## 募集要項

# 1. General Ledger Management

- Ensure accurate and compliant bookkeeping in accordance with GAAP and group control standards.
- Maintain high-quality general ledger data.
- Implement and adapt to new accounting schemes and standards.

# 2. Accounting Closing (IFRS Focus)

- Manage accounting closing schedules and milestones.
- Ensure timely and accurate financial reporting using SAP.
- Prepare internal reports (Local and Head Office) and external financial statements.
- Serve as the primary contact for IFRS-related accounting audits.

# 3. Financial Control

- Strengthen financial control processes in alignment with group procedures and policies.
- Contribute to the development and enforcement of robust internal controls.

# スキル・資格

## Required Knowledge and Experience

## . Insurance Industry Expertise

Solid understanding of insurance industry operations, financial structures, and regulatory environment.

## · Accounting Standards Proficiency

In-depth knowledge of **JGAAP** and **IFRS**, with practical experience in applying these standards in financial reporting and audits.

# • SAP System Experience

Proficient in using SAP for financial reporting, general ledger management, and accounting closing processes.
