- Bachelor's degree or above in a technical domain
- Experience managing large teams of blue-collar workers
- Prior experience from automotive industry as a production manager or maintenance manager
- Proficient in MS Office Suite
- Native level Japanese; professional level written and verbal English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
