## 募集要項

- **Industry:** IT Consulting Company
- **Location:** Bangkok (Hybrid working)
- **Type of work:** Permanent
- **Responsibility:**
  - - Design, build, and configure applications to meet business requirements, with a focus on SAP Data Migration.
  - - Perform independently, becoming a subject matter expert, and actively participate in team discussions.
  - - Develop and implement data migration strategies for SAP systems, collaborating with cross-functional teams.
  - - Troubleshoot and resolve data migration issues, providing solutions to work-related challenges.

- - Offer technical guidance and support to junior team members, with recommended proficiency in Build Management and Design & Build Enablement.

**Qualifications:**

- - Over 4-10 years of experience in large-scale SAP deployment, support, and upgrade projects.
- - Proficient in implementing, customizing, and maintaining SAP modules.
- - Strong knowledge and experience in SAP configuration and integration with other modules.
- - Excellent interpersonal communication and user support management skills.
- - Strong analytical, incident resolution, and problem-solving abilities.

**Notice:** By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
