## 募集要項

| Salary package: | 120,000 - 170,000 |
|-----------------|-------------------|
| Location:       | Chonburi          |

- Develop short-term (e.g., quarterly, annual) and long-term (e.g., 3-5 year) strategic objectives for product lines.
- Create and execute strategies to achieve these objectives, considering market trends and competitive landscape
- · Identify market opportunities and initiate new product development.

THB

- · Define product specifications and justify product introductions based on market research and financial analysis.
- Manage the entire product launch process, from concept to market availability.
- Track key performance indicators (KPIs) such as volume, revenue, margin, inventory levels, SKU count, distribution, and pricing.
- Analyze data to identify trends, opportunities, and potential issues.
- Make data-driven decisions to optimize product performance.
- · Gather and analyze market and competitive intelligence.
- Evaluate the product portfolio and identify gaps or rationalization opportunities.
- · Align product strategy with overall business strategy.
- Recommend and implement product line changes, including rationalization and extensions.
- Ensures product compliance with regulations.
- · Gathering competitive intelligence: This involves researching competitor products, pricing, marketing strategies, and market share.

• Prioritize "Market Pull" over "Technology Push," focusing on understanding and meeting customer needs.

## **Qualifications:**

- Bachelor's degree in marketing, Business Management or related field required.
- Commercial experience to know Global markets. Strong financial acumen to understand margin implications on product level and drive margin improvements of the product/solution offering.
- Minimum or equivalent of 2-3 years product management and new product development experience, preferably in appliance or another manufactured goods market segment.
- Relevant experience in product design, testing or agency approvals.
- Analytical and problem-solving skills.
- Strong communication and time management skills
- Fluent in English.
