### 募集要項

#### COMPANY OVERVIEW

Representative office of a leading global textile and apparel group in the fashion and garment industry. Operating in Vietnam, the company supports business development, supply chain coordination, and brand collaboration across Southeast Asia.

#### JOB RESPONSIBILITIES

- Lead and develop creative direction for seasonal/annual women's fashion collections, ensuring brand consistency and commercial viability.
- Research domestic and international fashion trends; apply AI technology and digital design tools such as Midjourney, Clo3D, Figma, etc. in the creative process.
- Build concepts, moodboards, and implement design ideas through to sample approval stages.
- Manage the entire design process from concept to market launch, ensuring timelines, quality, and aesthetics are met.

- Collaborate with departments such as Marketing, Production, and Sales to ensure final products align with design direction and meet target market demands.
- Monitor sales performance and customer feedback to refine designs and product development strategies.
- Manage, train, and inspire the design team; foster a culture of innovation within the department.

#### JOB REQUIREMENTS

- Bachelor's degree in Fashion Design, Industrial Fine Arts, or related fields.
- Minimum of 5 years' experience in the fashion industry, with at least 2 years in a design management role.
- Proficient in industry-standard design software (AI, Photoshop, Clo3D, etc.); knowledge and experience with AI tools is a plus.
- Strong understanding of garment construction, fabric types, and fashion product structure.
- Excellent leadership and communication skills, with clear strategic thinking.
- Creative, eager to learn, and open to applying new technologies in work.

#### BENEFITS

- Salary: Up to 50,000,000 VND/month (based on capability, negotiable during interview)
- Probation: 2 months, followed by full participation in Social Insurance, Health Insurance, and Unemployment Insurance
- Paid leave as per labor regulations
