## 募集要項

We are looking for a motivated and dedicated Customer Service Associate who is passionate about providing exceptional service and support to our clients in the financial services industry.

**Client Details**

Our client is an online brokerage firm that provides a trading platform and mobile app that allows users to trade stocks and other financial instruments.

**Description**

As the Customer Service Associate you will provide customer support services to assist users with account-related inquiries, technical issues, and other concerns. Among the main responsibilities:

- Deliver client support 24/7 (shift system), interacting with customers to solve issues and answer trading related questions (equities, investment products, etc)
- Develop, maintain, and regularly update a comprehensive FAQ database to address customer queries and enhance the support experience.

- Seek and recommend opportunities to improve the client success journey and elevate the quality of service provided.
- Adhere to and support all compliance mandates and cooperate with regulatory and internal audits, meeting all specified requirements.

#### Job Offer

- Internal mobility opportunities depending on candidate strengths and preferences
- International job scope (written communication with Teams abroad)
- WFH fully allowed during night shifts

We encourage dedicated and customer-oriented individuals to apply for this Customer Service Associate role in the financial services industry!

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Davide Capretta at +81 3 6832 8675.
