### 募集要項

We are seeking a Business Analyst to join our team and play a key role in gathering and analyzing requirements for our ERP implementation. This position is ideal for someone who thrives in dynamic environments and enjoys working closely with stakeholders to deliver impactful solutions.

Location: Pathum Thani, Thailand

Employment Type: Full-time

#### Responsibilities:

- Collaborate with stakeholders to gather and document business requirements for ERP systems.
- Analyze current business processes and identify areas for improvement and automation.
- Translate business needs into functional specifications for ERP implementation.
- Work closely with IT and ERP vendors to ensure requirements are clearly understood and implemented.

- Support testing, training, and change management activities related to ERP deployment.
- Monitor project progress and provide regular updates to project managers and stakeholders.

#### Qualifications

- Bachelor's degree in Business Administration, Information Systems, or related field.  
Proven experience as a Business Analyst, preferably in ERP projects (SAP, Oracle, Microsoft Dynamics, etc.).
- Strong analytical and problem-solving skills with attention to detail.
- Excellent communication and interpersonal skills to work effectively with cross-functional teams.
- Ability to travel to Pathum Thani regularly for on-site meetings and stakeholder engagement.
