募集要項

Company and Job Overview

A global pharmaceutical company is looking for a dedicated and motivated **Associate Sales Manager** to join their team. In this role, you will lead a team of pharmaceutical sales representatives, drive sales performance, and develop growth strategies to expand market presence and achieve business goals.

Job Responsibilities

- Develop and implement effective sales strategies, lead the sales team to consistently exceed targets.
- Foster and sustain strong relationships with key opinion leaders, ensuring exceptional customer satisfaction and high levels of retention.
- Track performance metrics, analyze trends, and implement improvements.
- Provide client-focused solutions that align with business needs.
- Stay informed on new product launches and ensure full team alignment and readiness.

Job Requirements

- Bachelor's degree in Pharmacy, Pharmaceutical Science, Business, Marketing or related fields.
- Minimum 5 years of sales experience in the pharmaceutical industry, with the experience in people management.
- Strong organizational and time-management abilities.
- Good business acumen in identifying more opportunity.
- Experience in new launches would be advantageous.
