募集要項

Position:	QA Assistant Manager
Salary:	45,000 – 55,000 THB / month (inclusive package)
Welfares:	Bonus equivalent to 5 months
Location:	Pluakdaeng, Rayong
Working Day:	Monday to Friday, plus Saturdays as per company calendar
Business Type:	Automotive Manufacturing

Responsibilities:

- Maintain and improve the Quality Management System (QMS) in compliance with IATF 16949 and ISO 9001, including conducting management reviews and internal audits.
- Ensure effective implementation, realization, and maintenance of QMS processes across the organization.

- Support customer audits and lead supplier development initiatives.
- Monitor and control Quality and Delivery KPIs, prepare summary reports, and present findings to top management.
- Manage and resolve customer claims, internal non-conformities (NCs), and supplier-related issues.
- Oversee on-time delivery performance and troubleshoot any quality or logistics concerns.
- Prepare and submit corrective and preventive action reports related to both quality and delivery issues, ensuring timely customer responses.
- Maintain high levels of customer satisfaction through proactive quality and delivery management.
- Provide support to APQP, FMEA, PPAP, SPC, MSA, Calibration, and PCR activities.
- Act as a communication bridge by receiving customer feedback and disseminating relevant information to top management and related departments.
- Lead and promote Kaizen, and 5S activities for continuous improvement.

Qualifications:

- Bachelor's degree in Industrial Engineering, Electrical Engineering, Mechanical Engineering, or a related field.
- Minimum 10 years of experience in QA/QC and QMR roles within the automotive industry.
- At least 5 years in a management role, such as Supervisor or Assistant Manager.
- Proficient in English (speaking, reading, and writing); Japanese language skills are an advantage.
- Strong analytical thinking, technical expertise, and leadership capabilities.
- Ability to work under pressure and manage multiple priorities effectively.
