## 募集要項

## Job description:

1. Establish a financial management system: Develop and improve the financial management system, processes, and internal controls of the factory in Thailand to comply with local laws and regulations in Thailand and the company's global financial policies.
2. Tax management: Manage tax filing, tax payments, and tax planning to ensure that all financial activities comply with Thai and international tax laws, and reduce tax risks.
3. Financial reporting and analysis: Prepare monthly, quarterly, and annual financial reports to provide management with the necessary financial and analytical information for business decision-making.
4. Cost control and profit analysis: Conduct in-depth analysis of key financial metrics such as production costs and operating costs, identify opportunities for cost savings, propose and implement cost control strategies, and improve overall profitability.
5. Budget preparation and monitoring of operations: Collaborate on the establishment, review, and monitoring of the annual financial budget, regularly analyze budget variances, propose improvement measures, and ensure that financial targets are achieved.

## Qualifications:

1. Bachelor's degree or higher in accounting, finance, auditing, or related fields.
2. At least 5 years of experience in managing BOI project finances, with knowledge of tax and financial regulations in Thailand, and experience in businesses with foreign investments will be given special consideration.
3. Ability to listen, speak, read, and write Thai fluently, and can communicate in Chinese or English (one of the languages).
4. CPD license holder.

5. Willingness to familiarize oneself with new businesses and accept new challenges.
