募集要項

An international manufacturing company is looking for an Accountant. The selected candidate will manage daily accounting activities, ensure financial accuracy, and support decision-making.

A leading global provider of advanced electrical connector solutions, the company serves industries including aerospace, automotive, and industrial sectors. Known for its cutting-edge technology and reliable products, it delivers high-performance connectivity solutions to meet the evolving needs of its customers worldwide.

Keywords:

会計, 内部監査, 製造業, 財務報告, 求人, 外資系

Job Ref: OG3P8D

Responsibilities:

- Handle daily accounting activities such as T&E process, AR, AP, costing, and general ledger
- Manage monthly closing in a timely manner according to the corporate calendar
- Prepare account reconciliations for the balance sheet
- Support routine tax activities and assist with tax filing
- Prepare financial forecasts, budgets, and management reports
- Ensure internal controls are in place and ensure SOX compliance

- Assist with ad hoc projects as required by the superior

Requirements:

- Bachelor's degree or above in accounting or related field
- More than 5 years of accounting experience in a multinational environment
- Practical experience with accounting and internal audit
- Previous experience in manufacturing environments
- Prior ERP experience (Oracle or SAP is a plus)
- Professional level Japanese; fluent level written and verbal English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
