募集要項

Take full ownership of finance operations in Japan, including reporting, budgeting, and analysis. Work in a flexible, hands-on environment that values autonomy and practical problem-solving.

Client Details

This small-sized company operates in the distribution industry, specializing in offering quality products to a diverse customer base. With a focus on efficiency and excellence, the organization values expertise and precision in its financial operations.

Description

- Prepare and analyze financial statements to support decision-making processes.
- Manage budgeting and forecasting activities to ensure accurate financial planning.
- Monitor and control costs across departments to enhance profitability.
- Generate detailed reports and provide insights on financial performance.
- Collaborate with internal teams to ensure compliance with accounting standards.
- Support audits by providing necessary documentation and explanations.
- Streamline accounting processes and recommend improvements for efficiency.
- Assist with tax filings and ensure adherence to local regulations in Minato-ku.

Job Offer

- A high-impact, hands-on finance role with full ownership of Japan operations.
- Flexible, casual work environment that encourages autonomy and initiative.
- Opportunity to collaborate with global teams while shaping local financial strategy.
- Be part of a purpose-driven company with a strong brand and growth mindset.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Hai Le at +81 3 6832 8623.

スキル・資格

- Business fluency in both Japanese and ENglish
 - Experience in accounting and finance
 - Strong analytical and problem-solving skills.
 - Proficiency in accounting software and financial tools.
 - An understanding of local accounting regulations.
 - Excellent attention to detail and organizational skills.
