募集要項

Report To: Plant Manager

Division: Japan

Legal entity: Faurecia Japan K.K.

Function: Quality

Business Group: Seating

Location: Tagawa city, Fukuoka, Japan

Essential responsibilities and duties

Our Seating Division is looking for a Plant Quality Manager for its Kyushu Plant at Tagawa, Fukuoka.

The role of a Plant Quality Manager is to guarantee that all actions in the Plant comply with the requirements of the Faurecia Excellence System, and to do so considering customer, Quality, Division, Business Group and Corporate guidelines. The main missions of the role are to:

- Represent customer requirements internally.
 - Define Plant Quality objectives and monitor progress.
 - Manage the Plant Quality System in accordance with the Faurecia Excellence System.
 - Define, staff, and develop the Plant Quality organization.
 - Ensure the Plant's compliance with all Safety/regulation standards.
 - Report Quality results to all relevant parties and maintain Quality records/documentation
 - Collaborate with the Purchasing organization in all activities and initiatives concerning Supplier Quality Assurance.
 - Interrupt the manufacturing or the delivery of products when Quality is not assured.
-
