## 募集要項

■ポジション名■営業/Sales

## ■職務内容■

Thi company is one of the largest manufacturers in the small and medium-sized robot segment in Japan. They provides high-precision single-axis and multi-axis robots, which are widely used in both automation solution integrators and high-tech manufacturing plants. The Japanese account executive will be responsible for:

1, Sales Development and Market Business:

・ To be responsible to achieve, maintain and increase the yearly revenue from Japanese customers (whole Viet Nam market).

- Increasing number of Japanese customer who we have not approached effectively.
- Actively and continuously search for specific Japanese customers in the automation field: Japanese manufacturing plants, machine manufacturers, system integrators.
- Build good relationships and stay connected with customers in your area. Regularly take care of customers every day through visits, phone calls, text messages and emails.
- Working directly with customer to provide IAI's automation solution with: Robo Cylinder, Scara Robot, Table Top Robot.

## 2, Develop and maintain relationship with Japanese customers:

- Translate and clearly communicate technical or commercial requirements between stakeholders.
- Getting automation project information from customer's high management level.
- Helping to translate the demand, request between customers and other IAI sales staff.
- Direct or indirect communication with customer's Japanese person in charge to support other Vietnam Sales Staff.
- Search for automation projects that can use IAI robots to join with machine manufacturers.

## 3, Organize Seminars, Webinars (online), product trial programs with the company's demo sets so that customers can directly interact with the products that IAI is providing:

- Invite customers to join the seminar via email, calling, visiting, exhibition
- Directly holding the seminar, webinar or co-operate with Vietnamese sales to make sure provide the necessary technical information.

## 4, Report, do other job under Sales Manager assignment:

- Travel for domestic business trip.
- Reporting the actual revenue status monthly. Propose, provide the kaizen idea to improve the sale activities.

## ■求める経験・能力・資格等■
