#### Company and Job Overview

A reputable construction company dedicated to delivering top-tier interior fit-out and construction projects throughout Vietnam.

#### Job Responsibilities

- Produce 2D CAD drawings for interior layouts, furniture, and fittings.
- Assist in space planning and design development.
- Collaborate with Japanese and local designers to ensure design accuracy.
- Revise drawings based on feedback from clients and project managers.

- Maintain drawing standards and documentation.
- Support offshore CAD services for international projects.

**Job Requirements**

- Diploma or degree in Interior Design, Architecture, or related field.
- Proficient in AutoCAD and other 2D design software.
- Attention to detail and ability to interpret design concepts.
- Good communication and teamwork skills.
- Experience in furniture or interior design projects is a plus.
- English communication

**Benefit**

- Competitive salary and benefits package
- High-performing, multicultural working environment.
- Continuous learning and development opportunities.

**Notice:** By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
