JOB RESPONSIBILITIES

As a multi-family office for ultra-wealthy individuals, we support each family's asset management with a high degree of customization. In this position, you will have a wide range of responsibilities, focusing on the following tasks:

- Supporting the execution of portfolio and investment proposals, explanations, and investments for Japan high-net-worth clients
- Planning and execution of investment strategies in collaboration with portfolio management and existing portfolio managers
- Formulate and review allocation strategies in line with customer-specific operational goals

- Practice of multi-asset management of funds, bonds, stocks, hedge funds, alternatives, etc.
- Periodic portfolio reporting and presentation
- Operational support such as client onboarding, KYC, and account opening
- Practical cooperation and negotiations with overseas financial institutions (PB/Custodian, etc.)
- Bilingual internal and external communication in Japanese and English

REQUIREMENTS

- Practical experience in asset management (at least 3 years)
- Experience in fund management
- Native Japanese level
- Business English conversational, reading and writing skills (frequently used both internally and externally)
- Familiar with Excel, PowerPoint, CRM tools, etc.
- High multitasking ability and practical performance
- Customer-oriented and team-oriented
