募集要項

As a TA Partner in the Technology & Telecoms industry, you will play a vital role in attracting and hiring top talent for a growing organization in Tokyo. This position requires a strong understanding of recruitment strategies, ensuring the best candidates are identified and onboarded effectively.

Client Details

This is a small-sized organization within the Technology & Telecoms sector, focused on innovation and growth. They are committed to delivering cutting-edge solutions while fostering a professional and collaborative workplace.

Description

- Collaborate with hiring managers to define recruitment needs and job requirements.
- Develop and execute effective sourcing strategies to attract top talent in Tokyo.

Job Offer

- Competitive salary, estimated between JPY 7000000 and JPY9000000 annually.
- Opportunities to work in a small-sized, innovation-driven organization.
- Professional growth in the Technology & Telecoms industry.
- Collaborative and supportive work environment in Tokyo.
- Chance to contribute to a growing company's success.

If you are passionate about talent acquisition and ready to take on an impactful role, we encourage you to apply today.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Momo Liu on +81 3 6832 8692.

スキル・資格

A successful TA Partner should have:

- Previous experience in recruitment, ideally within the Technology & Telecoms sector.
- Strong knowledge of sourcing techniques and recruitment tools.
- Excellent communication and interpersonal skills.
