### 募集要項

- Market Insights & Competitive Landscape**  
Conduct research on target markets and customer needs, analyze competitor offerings, and develop strategies to differentiate the product.

- **Product Positioning & Messaging**

Define the product's unique value proposition and craft compelling messaging tailored to key customer segments.

- **Go-to-Market Strategy & Execution**

Plan and implement launch strategies for new products and features, ensuring alignment with business objectives.

- **Stakeholder Enablement**

Develop training materials and resources for internal teams and external partners to support product understanding and adoption.

- **Sales & Marketing Collateral**

Create effective sales enablement tools and campaign assets to drive lead generation, improve conversion rates, and boost engagement among existing users.

- **Performance Analysis & Optimization**

Establish and monitor product KPIs (e.g., feature usage), analyze performance data, and propose actionable improvements.
