募集要項

A Materials Manufacturing company with a strong presence in the APAC region is seeking a meticulous Regional Finance Manager to oversee the Finance function across the region. In this role, you will be instrumental in the end to end finance function, including cost control of strategic projects across the region.

Responsibilities:

- Oversee the regional accounting operation.
- Consolidate financial statements across regional offices.
- Advise on forecasting and costing for the region.
- Optimize cash flow management.
- Lead the region on the implementation of a new ERP system.

Requirements:

- Degree in Accounting, preferably with ACCA or CPA.
- Hands on experience in consolidation, manufacturing accounting, and project costing.
- Strong communication and stakeholder management skills
- Construction or Infrastructure experience preferred.
- Minimum 5 years of regional finance experience.

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
