### 募集要項

#### Key Responsibilities:

- Collaborate directly with the Japanese Managing Director (MD) to support cost accounting activities.
- Assist in collecting, analyzing, and reporting cost-related data to improve decision-making.
- Help streamline and enhance costing processes and workflows.
- Work closely with the MD in the Accounting Department, focusing on data handling and analysis (note: this is not a core accounting role).
- Prepare regular reports and summaries to support cost optimization initiatives.

#### Qualifications:

- Advanced proficiency in Microsoft Excel is essential.

- Strong English communication skills required (ability to communicate effectively with the Japanese MD); Japanese language skills are a plus.
- Prior accounting experience is not mandatory but will be considered an advantage.
- Background in data analysis or cost-related tasks is beneficial.
