募集要項

COMPANY OVERVIEW

- Established company in architectural coatings and surface finishing industry is hiring for a Site Supervisor position. This role offers a dynamic environment where individuals can take ownership of site operations and contribute to the successful delivery of projects. The company values initiative, responsibility, and a strong work ethic, making it an ideal place for professionals looking to grow in a hands-on supervisory role.

JOB RESPONSIBILITIES

- Supervise daily site activities and ensure smooth progress of work, report to Senior Site Supervisor.
- Coordinate with clients and subcontractors to manage schedules and resolve issues that may cause delays.
- Monitor work quality and enforce compliance with safety regulations.

- Conduct regular site inspections to ensure standards are met.
- Report work progress to superiors and ensure timely delivery of materials to designated locations.
- Handle ad hoc tasks as assigned by management.

JOB REQUIREMENTS

- Possesses Bachelor's Degree / Diploma / Professional Certificate in Civil & Structure Engineering, M&E Engineering or equivalent.
- Preferably with 1-2 years of experience as Site Supervisor for Construction / Renovation projects.
- Strong leadership and disciplined working attitude.

Interested candidates are welcomed to apply online.
