募集要項

OVERVIEW

Our client, a Japanese Oil & Gas industry is looking for Business Development Manager.

JOB RESPONSIBILITIES

- Carrying out market research in the field of LNG, natural gas, electricity, renewables, and related things by collecting market data, regulatory updates, and activity of key players
- Seeking business opportunities for client and sharing with market analysis
- Together with other team conducting the M&A, financial modeling, and tender for related project
- Keeping positive relationship with stakeholders and partners

JOB REQUIREMENTS

- Min. bachelor's degree in any major
- Min. 4 years as Business Development in Gas or Energy related industry
- Preferable candidate who has good networking in gas power, renewable energy, and energy transportation/distribution/logistics business and its stakeholders
- Able to speak English fluently
- Having experience in financial modeling and M&A would be a plus
