## Company and Job Overview

Malaysia's premier online shopping platform is seeking a Senior Procurement Executive. This role involves lead and manages procurement activities, ensuring timely sourcing, negotiation, and purchasing of goods and services while maintaining cost efficiency and supplier quality.

## Job Responsibilities

- Lead strategic sourcing initiatives within assigned categories, including conducting market analysis, evaluating supplier options, and negotiating contracts.
- Establish, maintain, and strengthen relationships with key suppliers to ensure reliable supply, resolve issues proactively, and foster long term partnerships.
- Prepare procurement reports and track KPIs to support decision-making.
- Lead, train, and mentor junior procurement staff.

## Job Requirements

- Bachelor's degree in supply chain management, Procurement, Business Administration, or a related field.
- Minimum 3–5 years in procurement or supply chain, with leadership experience preferred.
- Strong negotiation and analytical skills.

- Knowledge of sourcing strategies and vendor management.
