## 募集要項

The TAD Specialist role (TA-Recruiting Focus) involves managing the end-to-end talent acquisition process to attract top-tier professionals for a thriving retail business. This position is based in Tokyo and requires expertise in recruitment strategies and human resources practices.

## Client Details

This opportunity is with a prominent retail company recognized for its innovative approach and global reach. As part of a large organization, the company boasts a strong presence in the industry and offers a collaborative work environment within the HR department.

## Description

- Manage the full recruitment lifecycle, from sourcing to onboarding, ensuring a seamless candidate experience.
- Collaborate with hiring managers to define job requirements and create compelling job descriptions.
- Develop and implement effective talent acquisition strategies tailored to the retail industry.
- Identify and engage with potential candidates through various channels, including social media and job boards.
- Screen and interview candidates to assess qualifications and cultural fit.
- Maintain accurate records of recruitment activities and report on key metrics.

- Stay updated on industry trends and best practices in talent acquisition.
- Support employer branding initiatives to attract top talent in Tokyo and beyond.
