募集要項

Sales (PCBA/Electronics Manufacturing)

Salary: 25,000 – 35,000THB

Location: BB Building, 54 Sukhumvit 21(Asoke)

Our is a leading international group in Electronics Manufacturing Services & Trading

Key Responsibilities of the position:

- Actively explore and secure new business opportunities in PCBA manufacturing and related components within Thailand.
- Manage the entire sales process, including generating quotations, conducting negotiations, and supporting prototype proposals and after-sales service.
- Maintain and strengthen relationships with both existing and new clients (primarily major Japanese electronics firms).
- Collaborate with technical and production teams to translate customer requirements into effective commercial and technical proposals.

Qualifications

- Minimum 2 years of sales experience handling PCBA, electronic components, or sales within the manufacturing industry.
- Solid understanding of PCBA manufacturing processes and knowledge of electronic component supply chain operations
- Intermediate English is required for communication with the management team.
- Bachelor's degree (Business Administration or related field preferred).
