募集要項

A leading global automotive company specializing in metal parts is seeking an individual capable of leading an established team. Proficiency in Japanese is a key requirement for this role. The ideal candidate should possess business-level Japanese language skills, along with the ability to manage a team effectively and drive them towards achieving the company's targets.

Position: Manufacturing Manager (Japanese Speaking)

Salary: 100,000 – 120,000 THB / month

Welfares: Bonus, Housing, Transportation, and others

Location: Sriracha, Chonburi

Working Day: Monday to Friday (Alternate Saturday)

Responsibilities:

- Oversee the entire operations of the factory, including production, procurement, quality control, and maintenance.
- Develop and implement innovative strategies to streamline factory operations.
- Screen, recruit, and train staff to ensure a skilled workforce.
- Ensure worker safety and adherence to safety protocols.
- Monitor equipment and schedule maintenance and repairs.
- Regularly review work processes and make necessary improvements.
- Prepare and implement budgets and production schedules.
- Ensure compliance with industry standards and regulations.
- Coordinate with other departments, such as sales and customer service, to align objectives.
- Resolve issues and disputes among factory staff.
- Communicate with suppliers, customers, and stakeholders about factory performance.
- Keep records of all factory activities and report on important metrics.

Qualifications:

- Bachelor's degree in engineering, manufacturing, or a related field.
- Minimum of 10 years of experience in factory management, preferably in the Japanese automotive industry.
- Strong knowledge of production processes and quality control standards.
- Excellent attention to detail and problem-solving skills.
- Strong leadership and communication skills.
- Ability to work collaboratively with cross-functional teams.
- Good command in Japanese (JLPT N2 up is preferred).
