### 募集要項

This role is responsible for supporting public relations and marketing efforts by promoting the brand and products in the Japanese market through a variety of channels. Key activities include building strong media relationships, organizing marketing events, conducting market research, and creating PR and presentation materials. The position requires a high level of commitment to relationship-building and close collaboration with internal teams such as sales and management, as well as with external stakeholders.

### スキル・資格

- - Strong proficiency in English and advanced Japanese communication skills are essential for clearly articulating corporate offerings and value propositions across both verbal and written channels.
    - Proven project management capabilities are required to lead PR and marketing initiatives such as exhibitions and media engagements, while effectively coordinating with internal teams and external partners.
    - Solid command of Microsoft Office tools (Word, PowerPoint, Excel, etc.) is necessary for creating and formatting presentation decks and customer-facing materials.
    - Skilled in writing compelling promotional content for PR and marketing collateral.
    - Experience in managing budgets, including cost tracking and forecasting within approved financial frameworks.
    - Highly organized with strong attention to detail, and a willingness to embrace new ideas and processes.
    - Ability to thrive under pressure in a dynamic, fast-paced IT environment, with a proactive and adaptable mindset.
